XPRO AMSTERDAM • ADAF 2014

**KUNSTEILANDEN AMSTERDAM .NL**

Art Islands Amsterdam is a initiative by Dutch artists & galleries who live and work on or near the Westelijke Eilanden in the center of Amsterdam (near Central Station). Our studios and galleries are open every second Sunday of the month from noon to 5pm. You are welcome to visit, chat with the artists or gallery owner and enjoy the peace and quiet. You might even fall in love with a piece and end up with a new addition to your home or office.
